Figma

Final-year student with a strong foundation in C, C++, JavaScript, and TypeScript. Proficient in data structures, algorithms, enabling me to approach problem-solving with confidence and efficiency. and web development with Node.js, Express.js, Nest.js, Next, and React. Eager to apply skills in software engineering to contribute to innovative projects.

Work Experiance

Coreflex Solutions

(March 2021 - August 2022)

Data Entry Operator

During my academic journey, I have gained hands-on experience working with **Salesforce** and **Oracle E-Business Suite** to create exceptional customer experiences. I effectively communicated with clients through Salesforce, and efficiently resolved issues using Oracle E-Business Suite.
